

## **STEM Enrichment Counselor - Part - Time**

Get Stimulated, LLC. Athens, Ga  
\$10 an hour - Part-time

Get Stimulated, LLC. Is developing employment opportunities for instructors to teach our interactive and hands-on elementary school STEM enrichment programs. Designed and created by teachers, architects and engineering professionals, our hands-on curriculum and experimental approach engages children ages 6-12+ to STEM (Science Technology Engineering and Math) concepts and mechanics using a variation of learning tools and techniques. Ideal opportunity for Education major college students pursuing elementary or middle school specialization degree and interest for STEM (Juniors or Seniors). Looking for instructors who might be interested in working during the following times:

- Weekdays from 8a.m to 5p.m. (summer)
- Weekends for special events (birthday parties, celebrations, workshops)
- After school programs between the hours of 2:30 - 5:30pm on (Fall semester, Spring semester)

### Employment Qualifications:

- \* Teaching background and experience working with elementary aged children.
- \* Passionate about introducing students to STEM learning experiences that are hands-on, collaborative and interactive.
- \* Quick to learning and grasping program curriculum to teach STEM concepts using proprietary teacher instructional guides, project kits and model plans.
- \* Manage a student class size of around 12- 24 elementary school aged kids (6 – 12+ yrs.).
- \* Must have positive attitude, patience and provide positive reinforcement to students to make the class fun and engaging.
- \* Excellent organization skills, time-management and work ethics.
- \* Have reliable transportation to travel in the Naperville and surrounding area to the various locations the programs are offered.
- \* Must be able to pass a background check.

Job Type: Part-time  
Salary: \$10.00 /hour  
Required education:
